

Cavestede SEN and Family Services is a relaxed and welcoming environment for young children and their families.

We offer groups for children aged from birth to 4 years old with their parents/carers to learn together through play, singing and exploration.

It is a place where you can make friends, get advice and join in organised activities.

Woodland Sessions

Woodland activities provide opportunities for children and families, through practical activities in an outdoor environment.

We can explore and experience the natural world through the seasons and in all weathers.

We offer woodland sessions within our Creative Explorers group per half term and in our Dad's Group once per term.

The children and families participate in woodland activities, have snack outside, build dens and join in with singing and parachute games.

Family Support for children with Special Educational Needs and Disabilities

Parents/Carers with a child with additional and/or complex needs often have many different professionals involved in the care and education of their child.

At times, this may feel overwhelming.

We are able to support families where there is a child/ren with additional needs aged 0 - 6 years.

This is a city wide service.

We offer short term support which may include home visiting and helping the parents/carers make changes at home as part of their ongoing learning and development plans. We give the parents/carers opportunities to be listened to and think through implementing strategies and plans already in place.

THE SERVICE WE OFFER IS BY REFERRAL ONLY

When the support worker receives a referral, a specific piece of work will be completed with the family to support them through a difficult period. This work could be for 6 - 8 weeks or longer depending on the support required.

Peterborough Families Information Service - provides free information, advice and assistance to parents, carers and professionals on a wide range of topics. These include details about local childcare, free childcare eligibility and how to pay for childcare.
