

To find an NHS dentist in your area, go to: www.nhs.uk and search 'dentist' in the search box. Type your postcode in the next box.

The screenshot shows the NHS website's search interface. At the top, there is a search bar with the text 'Search' and a magnifying glass icon. Below the search bar, there are navigation links: 'Health A-Z', 'Live Well', 'Mental health', 'Care and support', 'Pregnancy', and 'NHS services'. A yellow banner for 'Coronavirus (COVID-19)' is visible, with the text 'Get the latest advice about COVID-19'. Below the banner, there are links for 'Home' and 'Services near you'. The main heading is 'Find a dentist'. Below this, there is a text input field with the placeholder text 'Enter a town, city or postcode in England'. There are two buttons: a green 'Search' button and a grey 'Use your location' button.

Opening times

Each listing will show if the dental practice is accepting new patients. Some practices may not have any information so you'll need to call them to find out.

There are reviews for some practices, too.
