Do you have a child with a serious illness or complex health care needs?

If so we would love to hear what you think about health and social care services for children in the Greater Peterborough area and how EACH might help.

Light refreshments, and creative activities for young children, available throughout the day.

Come and speak to members of our care team who are keen to hear your views.

EACH offers a family-centred approach to care, ensuring needs of children and young people, and their families we care for, are met. Care and support happens at home, in your local community, in hospice or in hospital. EACH also offers social opportunities for families to come together and meet others.
