

SafetyMARK is a safety certification and support scheme created for the education sector. SafetyMARK is administered by 'In House' who will be delivering the training here at Caverstede Nursery School (Local Authority nursery school)

Wednesday 24th November 2021: 9.30am - 4.30pm

Cost: £150 per delegate

This training will be delivered virtually. An email address will be needed for the training session link to be sent to.

PREMISES TRAINING

This training will enable delegates to understand the framework of legislation governing health and safety at work, knowledge of the site and specifically, their employer's duties for managing the premises. It is aimed at Caretakers; Maintenance Staff; Premises/Facilities Managers; Grounds Maintenance Staff; IT Staff.

It is also a useful course for any nominated Responsible Person or Duty Holder.

The course will cover;

- An introduction to Health & Safety at work
- General health, safety and welfare
- Hazardous substances and COSHH
- Personal protective equipment
- Fire safety
- Electricity
- Manual handling
- General risk assessments
- Working at height
- Introduction to Legionella
- Introduction to Asbestos
- Gas safety
- Management of contractors
- Lone working

There will also be a course summary and the opportunity for questions. Delegates will also receive a certificate of course participation.
