## Centre of Expertise

Would you like to view our outstanding Nursery School where we educate children both with and without Special Educational Needs / Disabilities (SEND)?

We have experienced, knowledgeable staff who together with our carefully developed inclusive environment meet the needs of **all** children.

**We offer open sessions for Peterborough PVI (Private, Voluntary and Independent) settings to view our SEND resources, learning environment and to speak to our staff.**

This session will be held on:

Monday 4th February 2019

9.30 - 11.00am

Limited spaces are available

Please contact Caverstede Nursery School to book your place.

**Peterborough Specialist HUBS**

To keep improving the expertise available to our children and young people with Special Educational Needs and Disabilities (SEND) in all education settings in the Peterborough area, the Local Authority has established a growing network of specialist hubs.

The purpose of the hubs is to help raise the quality of support for all children with SEND in all schools in the Peterborough area. Each hub is a commissioned service arising from a partnership between the City Council and the host school / academy, with senior staff from each organisation working together.

Each hub has a designated type of SEND specialism.  A centre of expertise might support a local school by:

- Offering specialist resources and training;
- Modelling high quality support in mainstream classrooms;
- Providing telephone helpline and/or drop in sessions.
