

Early Years Pupil Premium (EYPP)

From April 2015 the Department of Education introduced the new Early Years Pupil Premium (EYPP).

The aim of the EYPP is to close the gap between children from disadvantaged backgrounds and their peers by providing funding to early years providers to help them raise the quality of their provision. It will complement the Government-funded early education entitlement by providing nurseries, schools and other providers with up to an additional £302 a year for each eligible child.

Within Caverstede the following numbers of children have had eligibility:

	Number of Children	Funding Received
Summer Term 2015	33	£3,348.54
Autumn Term 2015	25	£2,737.98

The funding has been spent in the following ways:

- Employing staff to work with the EYPP children one to one and / or in small groups
- Library Explorers scheme
- Extra resources for individual children
