Health and Safety for School Business Professionals

IOSH Accredited

13th and 14th June 2019

9.30am - 4.30pm

Cost £350 including refreshments and all training materials (lunch not included)

This is a course accredited by IOSH (Institute of Occupational Safety and Health)

The training will be delivered by In House Safety (wholly owned subsidiary of PHSC plc)

here at **Caverstede Nursery School** (Local Authority nursery school)

over two days - 9.30am to 4.30pm

This course is ideal for any manager within a school/academy - including;

- School business Managers
- Site Managers
- Facilities Managers
- Caretakers
- Support staff with a responsibility for managing health & safety

At the end of the course, delegates will be able to;

- understand the key legal requirements and standards to be achieved within the school
- understand how accidents occur and how to implement simple systems to prevent them
- ensure correct protocols are followed in the event of an accident to reduce criminal or civil liability and reassure colleagues and caregivers
- conduct a risk assessment and implement a risk assessment strategy
- identify the key hazards in the school environment and the management and controls of each
- implement simple safety systems into other business initiatives and responsibilities to enable an integrated approach to safety

On completion of the course, you will receive an IOSH certificate valid for 3 years
