

Summer's Here Song

(Sing to the tune of 'Alouette'.)

Summer's here and the sun's still out at bedtime.

Summer's here and the sun is shining bright.

Summer's here and the sun's still out at bedtime.

Summer's here and the sun is shining bright.

Sun wakes us in the early morn.

Sun wakes us in the early morn.

Break of dawn. Break of dawn.

Summer's here. Summer's here.

SSSSSSSSS...

Summer's here and the sun's still out at bedtime.

Summer's here and the sun is shining bright.
