

# Rhythm & Rhyme

Phonics Phase 1 Aspect 4

Play a matching game. Can you match two toys together that rhyme - for example 'fox' and 'box'.

What is Rhythm and Rhyme?

Its all about finding words that end in the same sound such as "Cat, bat, rat and mat"

Listen carefully to this list of words. Can you find the one that doesn't rhyme with the others?

Remember to listen carefully to the sound at the end of the word: tree, bee, pin, three, see, knee.

Try making up some funny rhyming sentences! Write your favourite one to share with us. For example: 'I saw a cat, sitting on a mat'

Can you teach someone at home one of the rhymes we have been singing? See if you can remember all the words!
